Joseph Manti has been a dental laboratory technician for 21 years and is Certified as a Director of Training and Education in Complete Dentures. He has been a Prosthetic Specialist with Ivoclar Vivadent since joining in 2002.

Joseph will present and demonstrate tools for effective communication between the clinician and dental laboratory technician. The exclusive *Smile Design Kit* for Denture Patients, combined with ease-of-use instruction, may provide increased predictability and efficiency with your complete denture cases.
